

## 3AA eLED CPO2

Made from flame-retardant materials and Ex-certified for zone 0 and 20, make the 3AA eLED CPO a safe high-performance lamp in potentially explosive atmospheres as well as in the fire fighting. The unique design of the CPO reflector captures the light and focuses it into a brighter, more narrow beam with almost no "spill light".

2 power modes (High/Low) allow the user to illuminate distant objects and also to work at close range.

The tail switch can be easily operated with large work gloves.

For hands-free lighting pair the 3AA eLED CPO with a helmet clip.

## FEATURES

- Waterproof and dust-tight
- Proprietary Compound Path Optics (CPO) permits high efficiency and compact size
- 2 power modes (High/Low)
- Push-button switch switches light between ON/OFF with continuous or momentary action
- Beam produces a bright spot with almost no peripheral light so nearby personnel are not affected
- High impact PC/ABS/Graphite, LEXAN® and polyurethane rubber construction for durability
- Can be mounted to any helmet or hard hat using a helmet clip

## TECHNICAL DETAILS

II 1G Ex ia op is IIC T4 Ga  
 II 1D Ex ia op is IIIC T75°C Da  
 SEV 18 ATEX 0177 X

110 (High)/22 (Low) 8 hrs (High)/24+ hrs (Low)

<b>Size</b>	13.46 x 4.06 x 3.56 cm
<b>Weight</b>	150,25 g
<b>Color</b>	graphite
<b>Batteries</b>	3 x AA Alkaline
<b>Lamp Type</b>	eLED
<b>ATEX Zones</b>	0,1,2,20,21,22
<b>IP-Code</b>	IP67
<b>Waterproof</b>	Up to 1 m

## ART. NO.
