

3AA LIGHTHOUSE

The 3AA LIGHTHOUSE with its 228 lumen is a multi-functional personal lighting device and available with or without the magnetic base.

The adjustable head can be rotated 360° or tilted up and down 120°. The tilt angle can be locked, so that the adjustable head remains in position and shines light exactly where it is needed.

Magnetically mounted on a metal work area, or stood up on any flat surface it allows a hands-free lighting of any working area.

A Nylon clip comes with the 3AA LIGHTHOUSE so that it can be used as a wearable, right-angle light.

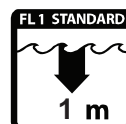

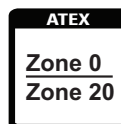

FEATURES

- Waterproof and dust-tight
